TC from P.C. Office, Sgt Bonilla

PO Schoulcraft's father called "City Hall" and
 spoke to Dep Mayor Slegler's assistant. The
 father said that his son was never told why he is
 on R/D. Sgt Bonilla reached out to PO
 Schoulcraft who said he was never told why he
 is on R/D.

I told Sgt Bonilla that Dr. Lantieri was
 away, so could not report in an exact conversation, but I
 read some notes which confirm she "gave feedback," and more.
 I told that our policy is to make sure they know why
 they are being placed in R/D (even if they may
 disagree). We also try to direct MOS to places they
 can get help, as Dr. Lantieri clearly did.

I told Sgt that Dr. Lantieri would call in
 PO Schoulcraft as soon as she returns, ^{and} answer any
 questions he may have. Sgt Bonilla said that was
 fine - it ~~could~~ could wait for Dr. Lantieri's return.

10/27/09 - FIFEMOS

I explained to MOS that I called him in immediately upon my return from a 2 wk vacation b/c I received msg that his father made a complaint downstream that I never told MOS the reason why he is on R/P. Since we had discussed that in detail at his initial & subsequent visits, I emphatically expressed an uncertainty of how he may not have wanted to tell his father the reason why he was on R/P. To make sure that he has a clear understanding of why he is on R/P, I again explained in detail that he is on R/P b/c he had significant physical manifestation of stress that were causing much discomfort & would benefit from treatment & further monitoring.

MOS sd he no longer has those physical stress even though he is still facing the same stress as before. While on R/P, he is at least clear of PET daily with complaints all day long - not stressful to him, but not any less stressful (in his opinion) as regular F/P visits.

I again re-emphasized stress mgmt & relaxation training so the next time he is faced with new increased stress, he won't have a recurrence of the chest pain, headache, morning upset stomach, etc, that he had for several months when he 1st came to PETS. He said he bought both books I recommended & started reading them, but not that helpful since not much he didn't know before. He thought the Burns book was kind of boring & preferred the Ellis book. He ~~wasn't~~ ^{couldn't} forget both books to today's appt & had Bookman in there, ^{but} not very far into them (so hasn't read much of them). He said he called a few people I recommended but none took a extra & one wanted \$400/hour ^{& asked him they didn't provide CP} - I told him I could help him find an Action Therapist & to be sure they must have CBT for physical Ss of stress. He said he would call later & he provided # & name of his exact HMO plan so I can make sure the provider are in-network. MOS expressed an appreciation of the assistance.

10/27/09 - T/C C Mos

I informed Mos that I found a number of psychologists in Forest Hills (his preferred location) who accept Aetna HMO & specialize in CBT, ARI, & Stress Mgt. He does not have a private pay machine so I offered to mail it to him. I also gave him the Aetna behavioral health care website for further reference as well as ELM & self-assessment tools.
